COMMUNICATION WITH HDRB MEMBERS

Historic Districts Review Board meetings regarding land use development applications are quasi-judicial public hearings. It is prohibited by law to discuss or communicate in writing or by e-mail with HDRB members regarding pending land use development applications prior to an HDRB hearing. Members of the public are invited and encouraged to attend HDRB hearings to speak about their thoughts or concerns about a specific development application. The public can also submit written comments for consideration by the HDRB. Written comments must be submitted to Historic Preservation Division staff, not to HDRB members directly.
